

CAMP SHANDS 12 FOR 12

12 REASONS TO ATTEND CAMP SHANDS IN 2012

(IN NO PARTICULAR ORDER)

1. We take pride in our shooting sports facilities and instructors. We use superior firearms. We have experienced instructors. Our ranges are second to none.
2. Our staff is trained to go the extra mile to ensure that merit badges are completed. If your Scouts work they will finish their badges.
3. Everybody loves the inflatable iceberg on our clean lake.
4. Our food has been rated highly for quality and quantity. We eat!
5. We take good care of our first year campers. Our Green Bar Bill first year camper program is the core of our program.
6. Our newly designed high adventure program rocks.
7. We offer programs for Cub Scouts, Boy Scouts and Venturers. Programs are age appropriate and will appeal to all levels of Scouting. In 2012 Wolf and Bear Cubs come to camp for the first time.
8. We have the tallest climbing tower on a Boy Scout Camp in the state of Florida
9. We are big enough to offer lots of programs but small enough to give personal attention to our campers. Would you rather attend a Camp with 250 campers or 900 campers? You decide!
10. New for 2012 we are offering Geo Caching Merit Badge
11. We show the movie Follow Me Boys every week.
12. Our staff from top to bottom has a commitment to give quality customer service. If there is something you need we will try to help you. Scoutmasters have given rave reviews.

If you don't attend Camp Shands in 2012....go to Summer Camp somewhere. Long term camp is the highlight of every Scouts year.
