BSA Safety and Marksmanship Pistol Program
Participation and Hold Harmless Agreement**

Camp Shands (North Florida Council) will be conducting the BSA Pistol Safety and Marksmanship Program during 2017. This program is conducted under the approval of the Boy Scouts of America. Scouts will be instructed how to handle, maintain, and shoot a pistol safely and be provided instruction to increase their marksmanship skills. Scouts will have both classroom instruction and range instruction in which they will fire a pistol under the supervision of a trained Range Safety Officer and Pistol Instructor at Camp Shands property. Scouts will be required to wear eye protection and ear protection at all times while on the range. Scouts are expected to abide by all safety rules and the instructions of the Range Safety Officer(s) and Pistol Instructor(s).

I, the undersigned, give my child, _____, permission to participate in this program. I understand that participation in the activity involves a certain degree of risk. I have carefully considered the risk involved and have given consent for my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity coordinators and all employees, volunteers, related parties or other organizations associated with the activity from any and all claims or liability arising out of this participation.
